

[Fortunately for us all, the following prediction did not come to pass as part of the bogus swine flu pandemic of 2009. Many shared Judge Dale's concerns. His take on the government's plans for a mass vaccination program however may yet come to fruition. So, it would be wise to be aware of this potential scenario.

Near the end of this paper, I will disclose to the reader about a situation that has been planned by our government officials and is soon to unfold! The police paramilitary training and their extensive brainwashing has been implemented specifically for this event! It is expected that police officers will over-react and begin killing innocent Americans, and once they are no longer of use, the officers and their families will all be ordered to receive vaccinations that will kill all of them! My guess is that after this planned mass genocide has occurred, the Russian and Chinese military will replace them in the field.

Part of the Fraud perpetrated against “We the People” by this Will, is the fact that there are actually no criminal laws in America. The Rules of Procedure used by every Local, State and Federal Court are Civil Rules, not Criminal!

Court officials simply substitute the word criminal for civil, depending upon the case at hand. Rule 1 of the Rules of Civil Procedure Reads: “There shall be but one form of action, a civil action.” This means that the Criminal laws promulgated and enforced by the police and our corporate governments are all civil and are being fraudulently enforced against our “corporate fictions” as criminal. When anyone goes to jail, it is for a civil infraction of the Masters Will. That makes all of our jails, debtors prisons! “Does that Ring a Constitutional Bell?”

Title 18, Federal Crimes and Offenses: was never voted on by the Congress, which means that these federal laws are NOT positive law in America!

Now, if you were a part of a government conspiracy to destroy America and soon to commit a mass genocide of its population; would you really want to vote Title 18 into positive law? My belief is that the Congress intentionally omitted its passage, so that members of Congress could use that as a defense, should they be caught and tried for Treason!

Do you believe the lawyers hired or appointed to represent all the individuals accused of federal crimes, knew about this fact? You bet they know!

Armed with this fact: Now look at the number of convicted people sitting in federal prisons, who believe they have been lawfully convicted of violating a federal crime! How many do you imagine have been put to death? How many
